Product information

Textile dye: black/khaki

Textile size-1: SR

The WARRIOR COVERT STADIUM BLACK SR JACKET is a lined hockey jacket designed for practice, the trip to the arena, and everyday club activities—whenever you need warmth and a dry, comfortable fit. Wartech technology traps body heat within the fabric while wicking moisture away from the body. It also features eco2sy, an insulating layer made from recycled materials.

- Technology: Wartech for heat retention and moisture wicking
- Insulation: eco2sy made from recycled materials
- Material: Outer shell, inner fabric, and lining made of 100% polyester
- Construction: Front opening with zipper
- Pockets: 2 side pockets with zippers
- Details: Contrasting-color sleeve, shoulder, and hood elements
- Logo: Printed logos and tone-on-tone “W” logo on the lower back
- Colorway: black/khaki, size SR in L, M, S, XL, XXL, XXXL

A jacket like this is especially practical for club players and teams when there’s no time for long detours between ice time, travel, and breaks. The polyester fabric is easy to care for, the insulation keeps you warm on cool days, and the zippered pockets keep small items safely stowed away. The black/khaki version has a sporty yet understated look, which fits well in a team setting.

When making your selection, check the desired fit in SR as well as the appropriate clothing size.
