Product information

Textile dye: black

Textile size-1: SR

WARRIOR SHORTS COVERT TECH BLACK SR are designed for regular hockey practice and game-day activities, when lightweight clothing and freedom of movement are essential. The thin polyester fabric feels pleasantly lightweight, while Wartech technology wicks sweat and moisture away from the body. This keeps the shorts comfortable even during intense training sessions.

- Technology: Wartech for wicking away sweat and moisture
- Material: 100% polyester, thin and lightweight
- Construction: concealed colored side panels made of stretch fabric
- Waistband: elastic for a secure fit
- Pockets: 2 side pockets
- Details: Tone-on-tone "Warrior" lettering on the front of the thigh, printed logos
- Color: black
- Size: SR in S, M, L, XL, XXL, and XXXL

Club players and coaches in particular appreciate training shorts that offer a simple combination of lightweight design, flexibility, and practical details for everyday use. The stretch panels on the sides support dynamic movements, such as during warm-ups, athletic training, or in the arena off the ice. Thanks to the elastic waistband, the shorts fit comfortably without feeling tight, and the side pockets are handy on the way to practice or in the locker room.

When choosing, make sure to select the right SR size for the desired fit during practice.
