Especially in everyday club life, it's important to have clothing that's practical and doesn't look out of place even after practice. The elastic waistband with drawstring makes it easy to adjust quickly, the cuffs at the ankles keep the pants looking neat, and the side pockets provide space for small items around the locker room and gym. Thanks to the cotton-polyester blend, this style combines comfort with an easy-care design suitable for everyday use.

The SR version is designed for adults; to achieve the desired silhouette, it's worth checking your preferred fit, as the cut tapers narrowly.
