The WARRIOR T-SHIRT HOCKEY GUNMETAL JR is a junior shirt designed for practice, everyday club activities, and time on and off the ice. Especially for youth players, a shirt is needed that fits comfortably and works just as well in everyday life as it does on the way to practice. The cotton is comfortable to wear, the crew neck provides a familiar feel, and the athletic cut suits young players who prefer their team apparel not to be too baggy. The printed chest logo and woven patch add distinct Warrior accents without making the shirt look cluttered.

When choosing a size, it's worth taking a quick look at the desired fit, as the cut is athletic.
