The high-quality cotton ensures a natural feel, while the athletic fit is closer to the body than a classic casual shirt.

- Size: SR, available in S through XXXL

Especially in a club setting, there's a need for a T-shirt that doesn't look out of place after practice, while traveling, or in the locker room. That's exactly where this style fits in perfectly: classic branding, clean lines, and a cut that's sporty without being unnecessarily complicated. The pure cotton is comfortable for everyday wear and makes the shirt a great choice even for long days spent around the gym and stadium.

When choosing a size, it's worth paying attention to the athletic fit, especially if you're deciding between two sizes.
