In hockey, in particular, coordinated team and casual wear is just as important as the equipment. A polo shirt like the WARRIOR POLO Street Cotton White SR is perfect for trips to practice, tournaments, or club events where a slightly more polished look is called for than a T-shirt would provide. The name “Street Cotton” suggests a casual, everyday style, making this model a natural fit for your active daily routine.

When selecting a size, it’s worth checking the appropriate size within the SR range.
