Product information

- Color: navy

- Available sizes: S, M, L, XL, XXL
- Fit: Designed for adults

A Performance Polo is especially ideal when there's no time for detours between the locker room, meetings, the bench, and the gym. The polo collar gives a slightly more polished look than a classic T-shirt, without losing its athletic character. This makes this model a great choice for teams, staff, or club leadership who want to combine a uniform look with everyday comfort. The navy version blends seamlessly with many team colors and existing club apparel.

When choosing a size, it's worth quickly checking the SR size chart, as this model is available from S to XXL.
