For juniors in particular, clothing that works without much fuss and doesn't get in the way during the active day-to-day of hockey is essential. The soft jersey fabric ensures lightweight comfort, and the gray fabric blend adds an easy-care touch. This long-sleeved shirt is ideal for cooler training sessions, for wearing before changing, or as a simple top to pair with your actual team gear. The distinctive chest logo and woven patch give the shirt a distinct WARRIOR look without compromising its athletic character.

When choosing a size, check the junior sizes from XS to XL to ensure the shirt isn't too tight or unnecessarily loose, depending on your preferred fit.
