In hockey, in particular, functional teamwear is just as much a part of the overall look as the equipment on the field. A cap like this is practical on the way to the arena, at tournaments, or during breaks between games. The one-size-fits-most design makes selection easy, which also makes it appealing to clubs and teams looking for simple headwear. The simple design stays true to the sport and looks neither over-the-top nor generic.

With “One Size,” it’s worth taking a quick look at the desired fit, as the comfort level may vary slightly depending on head shape.
