Especially in youth hockey, there’s a need for clothing that’s comfortable to wear and clearly shows team affiliation without looking too out of place in everyday life. This shirt fits the bill perfectly: it’s a simple, sporty addition to hockey gear for the walk to the locker room, for tournaments, or for after practice. The junior cut in size JR M is designed for young players for whom a cohesive team look is often just as important as a hassle-free choice for everyday club life.
