The TRUE Catalyst Nitro is a hockey stick designed for ambitious players who value a quick shot, precise puck control, and a responsive feel. TRUE's Catalyst series is synonymous with control, responsiveness, and modern stick technology—the Nitro complements this line with a dynamic setup for players who want to react quickly in any game situation. Thanks to its balanced construction, the stick facilitates quick wrist shots, precise passes, and controlled stickhandling. The grippy shaft ensures a secure grip, while the responsive blade provides excellent puck feel. Players who drive into the offensive zone at speed, look to take quick shots, or have little time in the slot will particularly benefit from the direct handling of the TRUE Catalyst Nitro. Whether in practice or in a game: The Catalyst Nitro is built for performance
