Accessory size: 76
Accessory color: yellow
Color: yellow

LABEDA Wheels Labeda Gripper Medium Yellow 76 mm Indoor are indoor wheels for inline skates, designed for hockey and regular training on indoor surfaces. The medium tuning is primarily aimed at club players and ambitious recreational players who are looking for a balanced riding experience between grip and smooth rolling.

- Product Type: Inline skate wheels for indoor use
- Intended use: Indoor, especially for indoor hockey
- Hardness: medium
- Ridingfeel: balanced mix of grip and rolling performance
- Size: 76 mm
- Color: yellow
- Package contents: 4 wheels

In indoor play, in particular, precisely tuned wheel performance is crucial because changes in direction, acceleration, and controlled coasting are closely interrelated. LABEDA's Gripper series has been a staple in inline hockey for years, and the medium version is well-suited for players who aren't looking for a very soft or very direct feel. At 76 mm, this wheel is ideal for setups where a smooth ride and consistent performance are important across multiple training sessions.

Before assembly, it's worth taking a quick look at your chassis, existing wheel sizes, and the required set size, as 4 wheels are included.
