Product information

Shoe color: black

The BLUE SPORTS Blade Case BS (Black) is a practical accessory for ice hockey skates with blades, designed to keep equipment neatly stored and protected during transport after practice. Especially in everyday club life, a blade case helps keep loose blades securely together and protects other items in the bag from sharp edges.

- Product Type: Blade Case
- IntendedUse: Transport and storage in everyday hockey
- Benefits: Keeps blades compactly together and separates them from other equipment
- Color: black
- Suitable for: Ice hockey skates

In the daily back-and-forth between the locker room, the car, and the ice rink, it's often the small accessories that make all the difference. A blade case keeps your bag organized and makes handling your equipment easier, especially during regular practice, in youth programs, or for teams traveling with a lot of gear. The black version blends in discreetly with the rest of your equipment and fits neatly into any hockey gear setup.

Before making your selection, it's worth taking a quick look at the shape and dimensions of the blades you use to ensure the case fits your existing setup.
