Especially in the hockey community, this style is a great fit for anyone looking for a low-maintenance shoe to wear between training, work, and leisure time. The soft leather contributes to a comfortable feel on the foot, while the clean design of the ASICS JAPAN S deliberately stays true to classic court silhouettes. As a result, the shoe doesn't look flashy but blends easily into everyday life, whether you're heading to the arena or out on the town.

When choosing a size, refer to your usual EU shoe size; this is size 40.
