TRUE HZRDUS 7X JR is a junior hockey boot designed for young players looking for a sporty, snug fit during practice and games. Available in skate size 4 and a regular width, this model is designed for young players for whom a well-fitting skate

Product information

is especially important for control, stability, and a secure feel on the ice.

- Product Type: Junior Ice Hockey Skate
- Model: HZRDUS 7X JR
- AgeGroup: JR
- Size: Skate Size 4
- Shoe Size System: INT
- Fit: R (Regular)
- IntendedUse: Ice hockey training and games

Especially for young players, the fit often makes all the difference. A boot with a regular width provides a balanced fit without being unnecessarily tight, which can be noticeably more comfortable during repeated sessions on the ice. This helps young players work on their technique, edge work, and acceleration without constantly having to focus on their boots. The TRUE SK HZRDUS 7X JR 1 R is therefore clearly positioned as a model for ambitious junior players and for parents who look not only at size but also at a proper fit when selecting equipment.

Key factors to consider when selecting this model are Skate Size 4 and the Regular width, ensuring the boot matches the foot's profile and the player's current skate setup.
