Bag color: black/white

The EXEL STICKBAG GIANT LOGO SENIOR is a spacious stick bag designed for everyday hockey use, keeping not only your sticks but also other training gear neatly organized. Its 30-liter capacity keeps things noticeably more organized during club activities than a simple stick bag, while the black-and-white design is clean and sporty.

- Product Type: Stick bag for seniors
- Usage: Training, game days, and transporting hockey equipment
- Volume: 30 L
- Variant: Senior
- Color: black/white
- Design: Stick bag with expanded storage space

Especially for club players who regularly travel between the rink, the locker room, and home, a bag that neatly organizes sticks and accessories is essential. A Senior model typically offers enough space to meet the demands of regular training and match play. This makes transport easier and helps keep all your gear in one place instead of carrying individual items separately.

When choosing a bag, it's important to select the senior size to ensure the bag fits the length of your racket and the amount of equipment you carry.
