Product information

Pocket volume: 65l
Bag color: black

The EXEL GLORIOUS TOOLBAG is a spacious hockey bag designed for everyday club life, when practices, games, and away trips require more than just the bare essentials. With a 65-liter capacity, the black version offers plenty of room for a change of clothes, shoes, and other equipment, without being unnecessarily complicated to use.

- Product Type: Hockey Bag / Toolbag
- Uses: Training, game days, and equipment transport
- Volume: 65 L
- Color: black with a gray/black finish, according to the manufacturer's description
- Storage space: designed for extensive hockey equipment

For club players and coaches in particular, a bag of this size is often the more practical choice, since hockey equipment quickly adds up. In addition to clothing, there's plenty of room for shoes, accessories, and other training gear. This makes the EXEL GLORIOUS TOOLBAG an attractive option for anyone who regularly travels between the arena, locker room, and sports facility and prefers to carry their gear in a single bag rather than spread across several small pieces of luggage.

If you're looking for a compact bag for just a few small items, keep the 65-liter capacity in mind.
