EXEL GLORY WHITE/PINK SOCKS are indoor and training socks designed for everyday hockey, where a snug fit in the shoe is just as important as comfort. The white-pink design adds a sporty touch to your gear, and in sizes 35–38, they're especially well-suited for juniors, teens, or adults with narrower feet.

- Product Type: Sports socks for hockey, training, and indoor play
- IntendedUse: Regular use during training and games
- Color: White/Pink
- Size: 35–38
- Fit: Designed for smaller foot sizes in sports
- Look: Sporty Glory design by EXEL

Especially in floorball and hockey, the foundation provided by your shoes often determines how smooth your entire range of motion feels. A well-fitting sock helps keep your foot stable in the shoe, allowing you to stay focused on the game during quick changes of direction, short sprints, and long training sessions. For young players in a club or for adults with the right foot size, this model is a simple, sport-oriented addition to indoor gear.

When it comes to sports socks, it's worth taking a close look at your shoe size to ensure there isn't too much excess material in the shoe or that the sock is too tight.
