Product information

The EXEL TERRY HEADBAND STREET is a sweatband designed for practice and games, when every clear view counts—whether on the field or in the arena. The Terry design in this product category features a soft, absorbent construction that wicks moisture away from the forehead, providing noticeably greater comfort during everyday hockey play. Available in black, the headband blends in seamlessly with the rest of your gear.

- Product Type: Headband / Sweatband
- Material: Terry
- Uses: Hockey training, indoor play, and games
- Function: Absorbs sweat from the forehead
- Comfort: soft and comfortable, fits snugly against the head
- Color: black

Especially during intense sessions, sprints, and quick changes of direction, a headband like the EXEL TERRY HEADBAND STREET helps you stay focused on the ball, your teammates, and the game situation. For club players and regular training groups, this is a small but often very useful piece of equipment that's easy to wear and blends well with your usual hockey gear.

When choosing a headband, it's worth taking a quick look at the desired fit: snug, without interfering with your movements.
