The FOX 40 CLASSIC WHISTLE WITH FINGER GRIP is a referee's whistle designed for training, games, and everyday club use. The finger grip makes it easy to pick up the whistle quickly and hold it securely, which is especially important on the hockey field when decisions need to be made without delay. Finished in black, the design remains simple and functional.

Product information

- Product Type: Referee Whistle
- Model: Classic with Finger Grip
- Handling: Grip loop for a secure fit on the finger
- Applications: Hockey, school sports, training, and officiating
- Color: black
- Model: 9030W
- Package Contents: 1 whistle

Referees, coaches, and teachers in particular need a whistle that doesn’t have to be fumbled for in hectic situations. The finger grip enables direct, controlled handling and helps you quickly get the whistle back in position while running, during stoppages, and at the restart. This sets this model apart from simple designs without a grip, especially during regular use indoors or on the field.

Those who already use finger-grip whistles should pay attention to their preferred grip style and the handling they’re accustomed to.
