Especially in everyday club life or during regular shifts on the ice, it's important to have equipment that's easily identifiable and fits your role on the ice. This whistle is primarily designed for referees, as well as clubs and coaches, who are looking for a distinctive and well-crafted whistle for practice games or internal tournaments. The matte gold finish and logo engraving add a distinctive touch without detracting from the functional nature of officiating equipment.

When choosing a size, size M is the best option if a medium-sized model is required.
