INTERHOCKEY REPLACEMENT RUBBER CLOSURE FOR LAUNDRY BAG is the perfect replacement part for securely resealing a laundry bag during everyday training and club activities. Especially for frequently used team and indoor equipment, replacing a single part is often more cost-effective than replacing the entire item. The white version keeps the solution simple and functional.

- Product Type: Replacement rubber closure for laundry bag
- Applications: Hockey training, locker rooms, and everyday club use
- Function: for securely closing a laundry bag
- Compatibility: Fits laundry bags with the corresponding rubber closure

Product information

- Variant: white
- Package contents: 1 rubber closure

In hockey, used equipment piles up quickly, and laundry bags are often put through their paces, especially during regular training sessions. A functional closure helps keep clothing and smaller items together and makes it easier to organize transport between the locker room, the arena, and home. For clubs, teams, and players who use their gear frequently, a suitable replacement part is therefore practical if an existing bag is to be reused.

Before replacing the closure, briefly check whether the shape and design match your existing laundry bag.
