Product information

- Special feature: Autographed

Especially in club rooms, sports basements, or anywhere else where athletic role models should be on display, a signed poster makes a different impression than a standard print. The 70 x 50 cm size gives the design sufficient presence without appearing unnecessarily dominant on the wall. The gray design keeps the overall look calm and sporty, allowing the poster to blend well into a variety of settings.

Before framing or hanging it, it's worth taking a quick look at the wall dimensions to ensure the landscape format fits neatly into the intended space.
