Product information

Stock type: Links
Color: neon pink
Floorball hardness: soft

EXEL ICE NEON PINK is a floorball blade designed for players who prefer a softer feel when handling the ball. The left-handed version is designed for sticks with a left-handed blade orientation and is suitable for both training and indoor games. Its neon pink color also adds a striking visual accent to the stick.

- Product Type: Floorball Blade
- Model: ICE SB
- Hardness: soft
- Stick type: left
- Intended use: Floorball in training and games
- Color: neon pink

A soft blade is often chosen when a more direct feel is needed for receiving and controlling the ball. This blade really shines during regular indoor training, where clean first touches and controlled passes are crucial. This makes the blade particularly appealing to youth and club players who want to tailor their setup for a slightly softer feel.

It's important to choose the correct blade orientation: This model is for left-handed players.
