Product information

Color: navy
Brand: WARRIOR
Helmet size: S

WARRIOR COVERT RS PRO NAVY is an ice hockey helmet designed for players who are looking for a classic two-piece construction with modern tuning for both regular practice and games. Especially in everyday club play, it's important that a helmet fits securely, is easy to adjust, and remains comfortable even during intense play.

- Product Type: Two-piece ice hockey helmet
- Inner lining: compression-molded for a comfortable fit and impact absorption
- Adjustment: Tool-free adjustment system for quick fine-tuning
- Ventilation: Integrated airflow design through the helmet shell and around the head
- IntendedUse: Training and games on the ice
- Size: S
- Color: navy

The combination of a traditional helmet shape and modern features makes this model particularly appealing to club players and ambitious youth players who use their equipment several times a week. The compression-molded inner lining enhances comfort, while the ventilation helps keep air circulating under the helmet. Added to this is the tool-free adjustment, which is practical in everyday locker-room use when the fit needs to be quickly readjusted.

When it comes to helmets, the fit is key. Size S should match the shape and circumference of your head so that the helmet sits securely and evenly.
