Stick size: JR

FISCHER ENDE HOLZ is a replacement stick end for junior sticks and is one of those small parts that quickly become essential in everyday training and play. When the end of a wooden stick needs to be renewed or replaced, this black JR version ensures a clean finish once again.

- Product Type: Stick end for hockey stick
 - Model: JR
-

Product information

- Application: Replacement part for wooden sticks
- Color: black
- Suitable for: Junior players
- Package Contents: 1 stick end

Especially for young players, whether in a club or in school sports, having the right replacement part is essential to ensure a pole doesn't become unusable just because of a small missing end cap. The FISCHER JR 5 pole tip is designed for junior-sized poles and fits easily into equipment bags, gear boxes, or club inventories, where having functional replacement parts on hand at the right moment saves a lot of time.

It's important to ensure the right fit for the shaft and junior size.
