Product information

Color: clear

CCM PLEXI VR PRO SHORT CUT is a short, straight hockey visor for players who value a clear view and a sleek look on the ice. The clear version is designed to be scratch-resistant and glare-free, and it features an anti-fog coating intended to keep your vision clear, especially during intense training sessions and games.

- Product type: straight short-cut visor for ice hockey helmets
- Surface: scratch-resistant and anti-glare
- Vision: Anti-fog design
- Construction: with spacer
- Installation: for attachment to compatible helmets
- Customization: Includes CCM logo sticker
- Color: clear

Especially in everyday club play, a visor often makes all the difference down to the smallest details. A scratch-resistant surface helps keep the visor clear even with frequent transport in a bag or regular use, while the anti-glare design can reduce distracting reflections. The short, straight design appeals especially to players who prefer the feel of a classic visor and want to complement their helmet with a compact solution. The included logo stickers also allow you to personalize your gear.

Before installation, it's worth taking a quick look to ensure compatibility with your helmet.
