WARRIOR PLEXI MFE 105X PRO is an ice hockey visor designed for players who rely on an unobstructed view and seamless helmet compatibility. The clear visor is evenly curved and made of durable polycarbonate to ensure a natural field of vision on the ice and to reliably complement your gear during daily training and games.

- Product Type: Clear ice hockey visor
- Construction: precise, uniformly curved shape
- Material: highly durable polycarbonate

Product information

- Optics: high optical clarity
- Coating: Protective layers against fogging and scratching
- Compatibility: Fits all types of ice hockey helmets
- Installation: Mounting kit with spacers included
- Package contents: Cleaning solution, cloth, and mounting hardware

Especially for club players, whose visors are in regular use between the locker room, practice, and games, the combination of clear vision and durable material makes a noticeable difference. The anti-fog and anti-scratch coatings help maintain consistent visibility under changing conditions, while the curved shape supports a natural field of view. The included accessories make installation and maintenance easy as part of your daily hockey routine.

When selecting equipment, helmet fit is particularly important; according to the manufacturer, the visor is compatible with all types of ice hockey helmets and is CE-certified.
