Accessory color: black

The OAKLEY MONTAGE KIT FOR PLEXI NA is the perfect replacement and mounting kit for the Oakley Plexi 0955 NA. Especially in everyday hockey play, when visor parts need to be replaced or properly reinstalled, a precise fit and correct compatibility with the existing system are essential. The black version blends seamlessly with existing equipment.

- Product Type: Mounting kit for visor attachment
- Compatibility: Fits the Oakley Plexi 0955 NA
- Application: Replacement, repair, or new installation on the visor

Product information

- Color: black
- Installation: Designed for the specified Oakley Plexi system
- Package Contents: Mounting kit

For players, teams, and coaches who regularly maintain their equipment, a compatible mounting kit saves time and prevents the need for improvisation during installation. Especially with frequently used helmets, it's helpful when a visor can not only be replaced but also properly reinstalled. With a brand-specific set, the focus is therefore less on aesthetics and more on precise compatibility with the corresponding Plexi.

It is important to ensure a precise match with the Oakley Plexi 0955 NA.
