Accessory color: blue

The SID Helmet Decal SSHD-33614 (blue) is a replacement or additional decal for a hockey helmet. Especially for equipment used regularly in training and club activities, the right details ensure that the helmet maintains a cohesive look and that existing markings or designs can be neatly replaced.

- Product Type: Helmet Decal
- Application: Hockey helmet
- Use: To replace or add to existing helmet decals
- Color: blue
- Variant: SSHD-33614
- Contents: Stickers

These stickers are particularly useful when a helmet needs to regain a uniform appearance after prolonged use or when individual decorative elements are missing. In everyday hockey, where helmets are frequently transported, stored, and worn regularly, small replacement parts like this are often exactly what's needed to keep your gear looking sharp. The blue version matches coordinating helmet details or team colors without altering the character of the gear.

Before applying, briefly check whether the shape and design match your existing helmet.
