Product information

Accessory color: black

The SID Helmet Sticker SSHD-33611 (black) is a simple replacement or additional sticker for a hockey helmet. Especially for equipment that's used regularly during practice, at the club, or in the locker room, these kinds of details are often in high demand when an existing sticker needs to be replaced or a helmet needs to be neatly customized.

- Product Type: Helmet Sticker
- Application: Hockey helmet
- Color: black
- Design: Black accessory variant
- Use: To replace or add to a helmet sticker

In everyday hockey, equipment is put through its paces, and helmets in particular are used during many practices, games, and trips. A matching sticker helps keep the helmet looking put-together or renew existing markings. The black version blends discreetly into darker helmet setups and complements a understated, sporty look. For clubs, players, or parents who want to keep their equipment neat and complete, this type of accessory is often exactly what's needed when a small part is missing.

Before applying the sticker, it's worth taking a quick look at the helmet's shape and available surface area.
