Accessory color: navy

The SID Helmet Decal SSHD-33613 in navy is a replacement or additional decal for a hockey helmet. Especially in everyday club life, when equipment is used regularly and needs to maintain a consistent look, matching helmet decals are an obvious choice. The navy version matches the color of corresponding helmet accessories and provides a clean, uniform look for the helmet.

- Product Type: Helmet Sticker
- Application: Hockey helmet
- Color: navy
- Use: To replace or complement existing helmet decals
- Appearance: Designed to match navy-colored accessories

These stickers are particularly useful for club players, teams, and parents when a helmet needs to be upgraded, given a fresh look, or made to match the rest of the gear. In everyday hockey, where helmets are often used for extended periods, matching replacement parts help keep the equipment neat and complete without having to replace the entire helmet right away.

It's important to ensure compatibility with the existing helmet and its intended use.
