The WARRIOR LINER AOPHJL9 FOR ALPHA PRO is a compatible helmet liner for the Alpha Pro hockey helmet. If the inner padding needs to be replaced after many practices, games, or a long season, a new liner will restore the helmet's comfort to a clean and optimal state. The black version blends in discreetly with your existing gear.

Especially with equipment worn regularly on the ice, the condition of the interior plays an important role. A precisely fitting replacement liner is therefore particularly useful for club players and parents of youth players when a helmet is to be reused but the interior no longer fits comfortably. Because this liner is designed for the WARRIOR Alpha Pro, the fit inside the helmet remains consistent without having to resort to generic, one-size-fits-all parts.

Before making your selection, it's worth taking a quick look at the exact helmet model to ensure the liner truly fits the Alpha Pro.
