JOFA SIDE STRAP FOR GRILL is a small but important replacement part for hockey helmet gear. When the side fasteners on a face mask need to be replaced, a clean, proper fit is essential. This side fastening strap is designed for Jofa face masks and is particularly suitable for teams, clubs, and anyone who regularly maintains helmets.

- Product Type: Side strap for face masks
- Compatibility: for Jofa grilles
- Application: Replacement part for hockey helmet visor fastening
- Design: side strap fastening
- Package contents: 20 pieces

Product information

Especially during everyday training and club activities, reliable fasteners are crucial to ensure that the cage fits securely on the helmet and the equipment remains intact. The 20-piece pack is ideal for teams, schools, or coaches who don't want to reorder every small part individually. It's also a good idea to keep a supply on hand at home if you're continuing to use and maintain older Jofa helmets.

Before replacing any parts, briefly check whether the shape and mounting fit the existing Jofa visor and helmet construction.
