Helmet size: SR

CCM PLEXI VR STRAIGHT 1001 SCREW CE is a clear replacement visor for hockey helmets and is primarily intended for players who participate regularly in practice and games and want to specifically replace a compatible visor. The "Straight"

Product information

version features a straight shape designed to fit existing helmet equipment.

- Product Type: Replacement visor for hockey helmet
- Model: VR Straight 1001 Screw CE
- Mounting: Screw-on design for attachment to the helmet
- Color: clear
- Size: SR
- Application: Replacement for everyday hockey use

Especially when a visor is damaged or scratched, a replacement part that fits perfectly is important to ensure your equipment remains in top condition on the ice. This model is designed for use in hockey and is suitable for senior helmet sizes in SR. The clear design keeps the look simple and matches various helmet configurations commonly used in everyday club play.

Before installation, we recommend briefly checking the helmet shape and existing visor mount to ensure the screw-on version fits your equipment correctly.
