Product information

Glove size: 9inch

Glove color: black/red/white

The WARRIOR QR6 PRO BLACK/RED/WHITE YT is a hockey glove designed for young players looking for a flexible fit with noticeable protection during practice and games. The COVERT TAPER FIT conforms closely to the natural shape of the hand, ensuring that stick handling, passes, and shots remain controlled without the glove feeling unnecessarily bulky.

- Fit: COVERT TAPER FIT with a natural, hand-hugging shape
- Cuff: AXYFLEX CUFF for free wrist movement
- Thumb: AXYFLEX THUMB with foam-mesh inserts
- Protection: TRI-LAM with three layers of foam and plastic inserts
- Feel: Lycra inserts and stretchy back of the hand for a direct feel during play
- Palm: PRO PALM X made of Ax Suede with embossed grip
- Size: 9 inches
- Color: black/red/white

Especially for young players, it makes a big difference when a glove fits flexibly right from the start and doesn't need to be broken in first. The flexible construction at the cuff, thumb, and back of the hand supports quick stick handling, while the multi-layered padding provides additional protection against hard shots. Added to this is a palm that combines stick feel with a more robust grip—which is important for regular ice training and everyday club play.

At 9 inches, the size should match the hand length and desired fit for youth players.
