Product information

Glove size: 14inch

Glove color: black

The WARRIOR QR6 PRO BLACK SR is an ice hockey glove designed for players who are looking for a direct stick feel and a flexible fit during regular practice and games. Available in a 14-inch size and black finish, this model combines protection in high-impact areas with plenty of freedom of movement at the wrist and thumb.

- Fit: COVERT TAPER FIT with a snug, hand-hugging shape
- Cuff: AXYFLEX CUFF for unrestricted wrist movement
- Thumb: AXYFLEX THUMB with foam-mesh inserts
- Protection: TRI-LAM construction with three layers of foam and plastic inserts
- Feel: Stretchable back of the hand and Lycra inserts for an instantly lightweight feel
- Palm: PRO PALM X made of Ax Suede with embossed grip
- Size: SR, 14 inches

The flexible construction really shines during quick passes, tight stick handling, and repeated shots. The cuff doesn't restrict the wrist unnecessarily, while the thumb moves more freely than in simpler gloves. At the same time, protection against hard contact and impacts remains at a clear, game-ready level. The palm is designed for feel and durability, which particularly benefits club players who use their equipment several times a week.

A 14-inch size generally fits the senior category; the key is a clean, snug fit that doesn't cause pressure points.
