Product information

Glove size: 15inch
Glove color: red/white/blue
Brand: TRUE

TRUE A6.0 PRO gloves in red/white/blue and in a 15-inch size are designed for senior players who are looking for a classic fit with noticeable flexibility during regular practice and matches. The traditional four-roll construction fits comfortably on the hand and provides enough room without sacrificing the direct feel for the stick.

- Product Type: Senior Ice Hockey Gloves
- Fit: Traditional fit with four-roll construction
- Palm: AX suede with gussets
- Protection: PRO-GRADE EPP foam with PE inserts
- Thumb: TRUEFLEXX+ Lock thumb for flexible mobility
- Cuff: Ergonomic and flexible for greater wrist freedom
- Outer material: Nylon outer shell
- Size: 15 inches

In everyday hockey play, this model's strength is particularly evident in the combination of a classic cut, a grippy palm, and a flexible cuff design. The AX suede supports precise stick control during passes, shots, and one-on-one battles along the boards, while the PRO-GRADE EPP foam with PE inserts clearly designs the construction for more intense play. Added to this is the flexible TRUEFLEXX+ thumb, which promotes natural handling—especially in tight game situations and during frequent stick movements.

The 15-inch version is designed for senior players; for a comfortable fit, the glove size should match your hand length and the rest of your protective gear.
