## Product information

---

Glove size: 14inch

Glove color: black

The WARRIOR QR6 BLACK SR is a hockey glove designed for players who seek a tight connection to their stick during regular practice and games, without compromising on protection or mobility. Available in a 14-inch size and black finish, this SR model is designed for adults who value a direct feel for the game and a natural hand position.

- Fit: COVERT TAPER FIT with a natural, hand-hugging shape
- Thumb construction: AXYFLEX THUMB with foam-mesh inserts for greater mobility
- Back of the hand: anatomically stretchy with Lycra inserts for immediate comfort
- Protection: EXO+DUO-LAM with two layers of foam and plastic inserts
- Palm: PRO PALM X made of Ax Suede with embossed grip
- Inner lining: WARTECH FNC LINER with Polygiene
- Size: 14 inches
- Color: black

The tailored design really shines during tight stick handling, quick passes, and shots: The tapered shape fits snugly around the hand, while the movable thumb and flexible back of the hand allow room for clean grip changes. At the same time, the design is tailored for everyday hockey play, where hands are constantly exposed to impacts and contact. The palm combines a refined feel with solid durability, while the lining helps keep hands dry during extended periods on the ice.

When choosing gloves, select a size that ensures a secure fit while allowing your fingers sufficient freedom of movement.
