Product information

Glove size: 15inch

Glove color: red

Brand: TRUE

The TRUE XC9 RED SR is a hockey glove designed for ambitious club players who want protection, mobility, and a direct grip sensation all in one. In the red 15-inch version, this model features a tapered fit that hugs the hand snugly without unnecessarily restricting wrist movement during play.

- Fit: Tapered, anatomically contoured to the shape of the hand
- Construction: 15-panel back with three-panel fingers
- Padding: 24 mm Pro Grade EPP foam with PE inserts
- Palm: AX suede with TRUE BLUE AX suede overlay
- Thumb: TRUEFLEXX+ locking thumb
- Cuff: Ergonomic and flexible design
- Outer material: Nylon with textured PU
- Size: 15 inches SR

On the ice, this glove truly shines when frequent stick work, quick changes of direction, and tight game situations demand precise hand movements. The split backhand and flexible cuff keep the wrist mobile, while the multi-layered padding is designed to withstand regular wear and tear during practice and games. The AX suede palm provides a close feel to the stick, which is especially important for players who prioritize clean stick handling and controlled movements.

The 15-inch size is designed for senior players; the tapered shape offers a snug fit.
