Product information

TRUE AX5 BLACK JR are hockey pants designed for youth players and are intended for young players who participate in regular practice or club activities. Available in black and size XL JR, these pants are designed to fit securely on the ice without unnecessarily restricting movement.

- Product Type: Hockey Pants
- Model: HP AX5 JR
- Age Group: Junior
- Size: XL JR
- Color: black
- IntendedUse: Ice hockey training and games

For juniors in particular, hockey pants are more than just a piece of equipment. They need to perform well during sprints, changes of direction, and in tight game situations without constantly demanding attention. That's why TRUE's AX5 model is especially appealing to young players looking for a clean, sport-focused gear line and who rely on a comfortable, supportive fit during both practice and games. It's also easy for parents and clubs to navigate, as the junior and XL sizes provide a clear guide for selecting the right gear.

Above all, it's important to ensure proper coordination with the rest of the protective gear so that the pants, shin guards, and upper-body protection work together seamlessly.
