Product information

Protective paint: black

WARRIOR COMPRESSION SR GROIN PROTECTION SHORTS are designed for hockey play when a snug fit and a cleanly integrated groin protector are required under your gear. Especially during practice and games, compression shorts help keep everything close to the body and prevent it from slipping under pants or a jersey. In black, this model offers a understated and simple look for everyday team wear.

- Product Type: Compression shorts with built-in cup
- Intended use: Ice hockey, practice, and games
- Fit: Snug-fitting for a secure fit under gear
- Protection area: Designed to accommodate a groin guard
- Age group: SR
- Size: XL
- Color: black

These shorts are especially appealing to players who participate regularly in club activities, where undergarments need to stay securely in place even during extended periods on the ice. The snug fit ensures a comfortable, direct feel without adding unnecessary bulk under other protective gear. This is especially comfortable when nothing shifts during quick changes of direction, when accelerating, or during one-on-one battles. Compared to basic underwear, the combination of a compression fit and a groin guard pocket is clearly tailored to the demands of everyday hockey play.

For SR in XL, it's worth taking a quick look at the desired snug fit to ensure the shorts lie flat under your gear.
