STEVENS REF SHELL ST-103 pants are referee pants designed for hockey, engineered for optimal performance on the field and in the arena. The black version in size XL / SR fits into a classic referee outfit and blends in seamlessly with the rest of

Product information

the equipment.

- Product Type: Referee pants for hockey
- Model: Referee Pro ST-103
- Intended Use: Officiating during training and matches
- Color: black
- Size: XL
- Style: SR

In the day-to-day life of a referee, it's especially important to have clothing that blends in seamlessly with the flow of the game and stays securely in place during quick changes of direction, long runs, and frequent use. That's exactly where this model fits in: as functional pants for clubs, active referees, and anyone who regularly officiates hockey games. The name "Referee Pro" underscores the clear focus on use during games and training, without unnecessarily drawing attention to the appearance.

Key factors to consider when selecting these pants are the combination of XL and SR, as well as the desired fit within your existing referee gear.
