Product information

TRUE L20.2 SR Pro leg pads are designed for adult-level goalies who prioritize a balanced combination of protection and mobility during practice and games. Available in white and in a 33-inch + 2-inch size, they fit into a setup designed for a precise fit and seamless coordination with the rest of the goalie's equipment.

- Product Type: Leg pads for ice hockey goalies
- Model: L20.2 SR Pro
- Age group: SR
- Size: 33 inches + 2 inches
- Protection size: SR
- Body protection size: SR
- Color: white
- Intended Use: Training and games in the goalie area

In goal, it's not just about coverage—it's also about how smoothly and controlled your movements are. A senior model like this is designed for ambitious goalies and club players who carefully match their equipment to their body size and skill level. The length of 33 inches + 2 inches indicates a design intended to ensure that the standing position, butterfly stance, and lateral movements work together seamlessly without unnecessarily restricting movement.

An important factor in making your selection is ensuring a coordinated fit across your entire goalie gear set, so that the leg pads, pants, and body armor work together seamlessly.
