Goalkeeper Regular/Fullright: Regular  
Goalkeeper color: white  
Goalkeeper size: SR

The WARRIOR Ritual G6 Pro+ White SR is a catching glove designed for goalies looking for a lightweight, responsive setup for regular practice and games. The sixth generation of the Ritual series builds on the proven G3, G4, and G5 lines and is clearly aimed at ambitious senior-level goalies.

- Technology: HyperComp reinforcement on the front
- Functionality: Thicker board for increased stiffness and high rebound speed
- Deflection angle: 20-degree design for high puck deflection
- Profile: flatter design for a larger usable surface area
- Mobility: Open cuff for greater wrist freedom
- Customization: Fully removable, individually adjustable palm panel
- Size: SR
- Style: Regular, in white

On the ice, the difference is most noticeable when shots need to be cleanly controlled or actively deflected out of the danger zone. The stiffer board responds directly, while the open cuff allows for greater range of motion during lateral movements and stick handling. The adjustable palm pad helps tailor the feel to your own equipment and personal preferences. This is a noticeable advantage in everyday play, especially for goalies who carefully fine-tune their equipment.

Important when choosing: This model is available in SR and Regular sizes.
