Goalkeeper Regular/Fullright: Fullright

Goalkeeper color: white

Goalkeeper size: SR

The WARRIOR Ritual G6 E+ is a lightweight goalie blocker designed for senior goalies looking for agile, well-balanced equipment for both practice and games. In the white Fullright version, this model is designed for right-handed goalies. The

Product information

returning CoverEDGE+ construction brings the hitting surface further forward, thereby reducing the angle to the puck.

- Technology: CoverEDGE+ with a forward-shifted striking surface
- Functionality: Thicker blocker pad for high rebound speed
- Deflection angle: 20-degree design for high puck deflection
- Protection and Mobility: Designed for a balanced ratio
- Customization: Fully removable and adjustable palm pad
- Configuration: Fullright, right-handed
- Size: SR
- Color: white

This design really makes a difference in fast-paced game situations, especially for goalies who are regularly on the ice and carefully tailor their equipment. The striking surface, positioned further forward, actively assists when pucks need to be controlled and deflected upward or out of the immediate danger zone. Added to this is the lightweight overall feel, which remains comfortable during lateral movements and repeated reactions in practice. The removable palm provides additional flexibility to adjust the blocker closer to your own hand position and preferred feel.

Be sure to choose the correct catching hand: "Fullright" is for goalies who are right-handed with their stick in their right hand.
