1 in stock

Goalkeeper color: black

Goalkeeper size: SR

The WARRIOR X4 E is a goalkeeper's groin guard in size SR, designed for everyday hockey play involving repeated movements in the ready position, while shifting, and in tight situations in front of the net. In this position in particular, it's not just protection that counts, but also a fit that stays secure under the rest of the gear and doesn't unnecessarily restrict mobility.

Product information

- Product Type: Groin guard for hockey goalies
- Position: Goalie
- IntendedUse: Practice and game
- Size: SR
- Color: black
- Fit: Designed for the goalie area

In goalkeeping, the equipment must withstand a wide range of movements, from dropping into the butterfly position to quickly getting back up after a rebound. A well-fitting groin guard is therefore one of those pieces of equipment that should work in the background: reliable, unobtrusive, and compatible with the rest of the goalie's gear. The WARRIOR X4 E is primarily designed for adult goalies and club players who value clean, position-specific gear during practice sessions and games.

When selecting a size, the Senior (SR) size is recommended if the rest of the goalie gear is also adult-sized.
