Product information

Goalkeeper color: white

TRUE HZRDU5 7X4 FE SR Goalie Leg Guards in white are designed for ambitious goalies who are looking for a flexible, modern pad design for both practice and games. The pads are designed to provide a compact feel and support clean seals in the butterfly position as well as in RVH situations.

- Product Type: Goalie Leg Pads for Ice Hockey
- Construction: 40% thinner thigh cuff for greater mobility
- Stiffness: 30% stiffer construction for tighter seals
- Toe-tie system: Pro Laces Bungee Toe-Tie System
- Fastening: FRS fastening system with adjustable fit
- Foot Area: No foot strap for greater freedom of movement
- Size: SR
- Color: white

On the ice, the balance of these skates is particularly evident during repetitive movements in low stances. The slimmer thigh area aids in working from the basic stance, while the stiffer front offers advantages where a flat surface on the ice is required. The Pro Laces Bungee-Toe-Tie system ensures a secure fit on the skate without unnecessarily restricting mobility. Combined with the FRS system, this creates equipment that can be precisely tailored to your individual playing style.

The SR version is suitable for senior players; for optimal performance, it's worth considering the fit and adjustments in conjunction with your skates and other goalie gear.
