Product information

without an inner belt and is aimed at goalies who prefer a familiar, conventional fit.

- Product Type: Senior ice hockey goalie pants
- Construction: ultra-lightweight design without an inner belt
- Fit: conventional cut in the style of classic goalie pants
- Technology: Improved AxyCut technology on the outer edge
- Functionality: Reduces contact with leg pads when moving up and down in the butterfly position
- Adjustment: Removable buttons for attaching suspenders
- Size: SR, player size S
- Color: black

For goalies who frequently go into the butterfly position and need to get back up quickly, seamless coordination with the leg pads is crucial. This is exactly where the redesigned AxyCut construction comes into play. Combined with its lightweight construction, the pants remain flexible without sacrificing the classic feel of many goalie pants. The removable buttons for suspenders provide additional flexibility when customizing your gear for everyday team or training use.

When selecting a pair, in addition to the senior version, be sure to choose the appropriate shooter size S for a comfortable fit and freedom of movement.
