Especially in a club setting, on the way to the rink, or during long periods off the ice, gear that keeps you warm and is low-maintenance is essential. That's exactly where this beanie shines: an easy choice, comfortable for everyday use, and reminiscent of the look you see in professional sports. The soft acrylic is a practical choice for a knit hat of this type because it's easy to care for and requires little maintenance during regular use around practice and games.

The one-size-fits-all design is tailored to fit many head shapes; the fit may vary slightly depending on head circumference.
